

Steppenwolf “Born to Be Wild”

/ Easy Rider (1969), directed by Dennis Hopper /

Get your motor runnin'
Head out on the highway
Lookin' for adventure
And whatever comes our way
Yeah Darlin' go make it happen
Take the world in a love embrace
Fire all of your guns at once
And explode into space

I like smoke and lightning
Heavy metal thunder
Racin' with the wind
And the feelin' that I'm under
Yeah Darlin' go make it happen
Take the world in a love embrace
Fire all of your guns at once
And explode into space

Like a true nature's child
We were born, born to be wild
We can climb so high
I never wanna die

Born to be wild
Born to be wild

Martha Reeves, "Wild Nights"

/ Thelma & Louise (1991), directed by Ridley Scott/

As you brush your shoes, you stand before your mirror
And you comb your hair, grab your coat and hat
And you walk the streets trying to remember
All those wild nights breeze through your mind

And everything looks so complete
When you're walking down on the streets
And the wind catches your feet
And sends you flying, crying
Ooh, ooh wee, the wild night is calling

All the girls walk by, dressed up for each other
And the boys, do the boogie-woogie on the corner of the street
And the people passing by, just stare with wild wonder, yea
And inside the juke box roars just like thunder

And everything looks so complete
Oh, when you're walking out on the street
And the wind catches your feet
And sends you flying, crying
Ooh, ooh wee, the wild night is calling

The wild night is calling
The wild night is calling
Come on out and dance
Come on out and dance
Come on out and make romance
Come on out and dance
Come on out and dance
Come on out and make romance

And everything looks so complete
Oh, when you're walking out on the street
And the wind catches your feet
And sends you flying, crying
Ooh, ooh wee, the wild night is calling
Ooh, ooh wee, the wild night is calling
